Education

University School of Information and Communication Technology
GGSIPU · (2018 - Present)
B.Tech, Computer Science and Engineering · CGPA 7.2 /10

Pentagon International Secondary School Tinkune Kathmandu Nepal
Higher Secondary (NEB) · (2015 - 2017)
XII – 73.84 % · (2017)

Gautam Secondary School, Birgunj Parsa Nepal · (2010 - 2015)
X – 59.13 % · (2015)

Skills

Technical Skill: FrontEnd Development, BackEnd Development, MongoDB, Flutter, Heroku, SQL

Programming: JavaScript, C/C++, NodeJs, ReactJs, Bootstrap, JQuery, HTML/CSS, Dart

Soft Skills: Management, Creative Writing

Tools and Technologies: Git, Atom, Codeblocks, Microsoft Office, VScode, Numpy, Pandas, Matplotlib

Work Experience

Trianglein Organization (Law Website)
FullStack Development Intern
March 2020 – August 2020

Yumedic
React Development Intern
June 2020 – July 2020

Anugoonj(GGSIPU)
FrontEnd Development Intern
December 2019 – February 2020

Sk Children Foundation(NGO)
Wordpress Development Intern
July 2020 – September 2020

Position of Responsibility

PixelHub – The Graphic Designing Society of USICT
Secretary
June 2020 – Present

Projects

Chat Web-App - (July 2020)

It is a Web App where you can join rooms with your friends and hang out with them, share media and location. All the messages are deleted as and when everyone leaves the room.
